## Encounter the living Jesus Christ

Our God is a God of miracles. His love heals and transforms us. He sees you exactly where you are and longs to restore you in body, mind, soul, and spirit—to set your heart on fire with his love.

*“I am the living bread that came down from heaven; whoever eats this bread will live forever; and the bread that I will give is my flesh for the life of the world”*

**JOHN 6:51**

### Encounter Him

Stay consistent in your personal prayer. Dialogue with Jesus is the best way to stay attuned to his voice, which is an essential part of your faith!

### REINVIGORATING DEVOTION

How we worship matters. Reverence in the liturgy and the practice of Eucharistic devotions, increasing our adoration, strengthens our faith and unity in our community.

### Prioritize Him

You can't spread a devotion you don't have! Attend daily Mass if you are able, and commit to an extra hour of Eucharistic adoration each week. Jesus will honor your efforts with an outpouring of grace in your personal life.

Pursue Him

The more we enhance our personal understanding of the liturgy, the more equipped we will be to spread appreciation for this central aspect of our faith.
